Re: Public Records Request  
Carson City Sherriff's Office and Carson City Building Division

Dear Mr. Scripps:

This letter serves to acknowledge your public records request emailed on October 21, 2019. As previously indicated by email, recent personnel changes are impacting Carson City's ability to compile and provide the requested public records. At this time, Carson City is diligently reviewing your public records request to determine how much time will be needed to respond to your request. Carson City will be in further contact with you no later than 5:00 p.m. PST on Friday, December 6, 2019. At that time, Carson City will either produce any responsive records or, if further time is needed, provide an update on your request with a date and time by which any responsive records can be produced.

Sincerely,

**JASON D. WOODBURY**  
District Attorney
